### How to Find Us

To locate the Centre from the M27, take the exit at junction 8 or 9 and follow the signs for Sarisbury Green.

The Centre is midway between both junctions, just off the A27 at Sarisbury Green.

From the A27, turn into Barnes Lane, turn right into Holly Hill Lane and then turn immediate right into The Green.

Keeping Sarisbury Cricket Green on your right hand side, go past the children's play area, the tennis courts and large car park, which is available for your use. The Centre is at the end of the road on the left hand side.

### The History of the Centre

At the beginning of the 2nd World War Mr & Mrs de Salincourt of Brooklands raised a committee to form a Community Centre and offered part of their estate on which to erect the Centre.

The present building was opened in 1965 with the bar, lounge and terrace looking towards the river being opened in 1978.

The Centre has been further extended to include a second smaller hall, meeting room, kitchen and toilets.
